## CONTENTS

### Fauna and Systematics

- SITNIKOVA T. J., STAROBOGATOV Ya. I., ANISTRATENKO V. V. Anatomy and Taxonomic Position of Some Small European Pectinibranc molluscs (Mollusca, Gastropoda) . . . . . 3
- GURYANOVA V. E. New Spider Species from "Askania-Nova" Nature Reserve . . . . . 13
- KOLODOCHKA L. A. New Species of the Genus *Anthoseius* (Parasitiformes, Phytoseiidae) from the Crimea and Primorye Area, with a Redescription of *A. rhenanus* . . . . . 19
- SERGIENKO G. D. New Oribatid Mite Species (Oribatida, Archoribatida) from the Ukraine . . . . . 27
- ODNOSUM V. K. Mordellid Beetles (Coleoptera, Mordellidae) of the Kazakhstan Fauna . . . . . 32
- DUBATOLOV V. V. New Subspecies of Nymphalid and Satyrid Butterflies (Lepidoptera, Rhopalocera) from Yakutia . . . . . 40
- CHIKIN Yu., SHCHERBAK N. N. New Subspecies of *Vipera lebetina černovi* ssp. n. (Reptilia, Viperidae) from Middle Asia . . . . . 45

### Ecology

- MOLODOVSKY A. V. Basic Regularities of Construction of Birds in Flight. Communication I. Ecological and Evolution Aspects . . . . . 50
- VORONOV G. A., BASARUKIN A. M. Northern Pica of the Sakhalin Island. Communication I. Reproduction, Nutrition and Some Biocenotic Links . . . . . 58

### Morphology

- GILEVICH S. A., SOLNTSEVA G. N., KHOMENKO B. G. Musculature of Intermaxillary Area of *Balaenoptera acutorostrata* . . . . . 64

### Short Communications

- YEVSTIGNEYEV P. V., KHLYSTOVA L. M. Luminous Plankton and Characteristics of Its Bioluminescence in the Eastern Part of Central Atlantic . . . . . 68
- LOPATIN I. K. A New Chrysomelid Beetle Species (Coleoptera, Chrysomelidae) from South-East Kazakhstan . . . . . 73
- KABAK I. I. New Carabid Beetle Taxa (Coleoptera, Carabidae) from Kazakhstan . . . . . 75
- PODOBIVSKY S. S. Biology and Peculiarities of Furniture of Beetle *Dorcatoma obtrita* (Coleoptera, Anobiidae) in Ukraine . . . . . 80
- AKIMKIN S. E. On the Wood Pigeon Ecology in Volhynian Polesye Area . . . . . 82
