

CONTENTS

Fauna and Systematics

- EPSHTEIN V. M., UTEVSKY S. Yu. A New Fine-Tooth Species (Hirudinea: Placobdidae) From Northern Pacific 3
- ANISTRATENKO V. V. Gastropodan Mollusks of the Black Sea Biosphere Nature Reserve 9
- RADCHENKO A. G. A Review of the Ant Genus *Leptothorax* (Hymenoptera, Formicidae) of Central and East Palaearctic. Communication 4. Group *congruus*. Species of Uncertain Position. Zoogeographical characteristics 16
- JANICKI T. P. Distribution and Zoogeographical Analysis of the Buprestid Beetles (Coleoptera, Buprestidae) in Western Ukraine 23
- ZAGORODNIUK I. V. Taxonomic Revision and Diagnostics of the Rodent Genus *Mus* from Eastern Europe 28

Ecology

- TARASHCHUK M. V. Ecological Association of the Springtail Species (Collembola, Entognatha) in Dnipro Highland Forest-Steppe 46
- KAUFMANN B. Z. Habitat-ferent Behaviour of Certain Invertebrates 52

Morphology

- KIRITSHUK G. I., STADNICHENKO A. P. Shell Pores in Eufrosidae (Mollusca, Bivalvia, Pisidioides) 58
- BALAN P. G. Significance of Certain Morphological Characters in Zerconiid Mite Systematics (Acari, Mesostigmata). Communication 2 63

Short Communications

- KUZMIN Y. New Nematode Species *Rhynchus vibakari* sp. n. (Nematoda, Rhabdiasidae) from the Lung of Vibakari Snake (*Amphiesma vibakari*, Colubridae) 73
- SVERLOVA N. V. Pygidial Segment Variation in a *Trachysphaera costata* (Diplopoda, Glomeridae) Population of the Lviv Vicinity 75
- ZEROVA M. D. On the Systematic Position of Two Eurytomid Genera: *Eudecaloma* Ashmead and *Sycophilla* Walker (Hymenoptera, Chalcidoidea) 77
- FARINETS S. I. Ovipositor Morphology of Certain Tachinid Fly Genera of the Tribe Exoristini (Diptera, Tachinidae) 79
- BARABANOVA V. V., PILETSKAYA I. V. Lipid Composition in Physiologically Different *Varroa jacobsoni* Females 84
- MANYLO V. V., SHCHERBAK N. N. Karyotype of *Hemidactylus turcicus* (Sauria, Gekkonidae) from Israel 87
- KOSTIUSHIN V. A. Bird Fauna of Botanical Gardens and Central Parks of Kiev 89
